

You, your family members and friends are invited to attend the sixth annual Francis J. Marx V Memorial event on May 15th from 6 – 7:30 PM. The event will take place at the Marx Memorial site along the Providence WaterFire, at the corner of Packet and South Water Streets, in Providence. This year's guest speaker will be a spokesman from the RI State Police. The theme will encompass the message of Frank's legacy to live out one's education to better society, as well as the issues surrounding the reason for the memorial. This is an opportunity to raise awareness of the results of poor choices made while under the influence of alcohol and other drugs. Especially as we embark on proms, graduations and summer break.
